January 26, 2015

Mr. Gary Sanderson, President
Pennsbury School District Board of School Directors
134 Yardley Avenue
Fallsington, Pennsylvania 19508

Dear Mr. Sanderson:

In 2013, I ran for the Pennsbury School District Board of School Directors for one reason: to put the focus of the District, and of the School Board, back on providing the finest possible education for the children of our community. Over the last two years, our new majority has done just that. We have implemented full-day kindergarten and begun serious planning for badly needed renovations to our middle schools. We are approaching the teachers with respect as we begin to negotiate their new contract. I am proud of what we have accomplished as a board thus far.

Over the past two months, however, Bucks County District Attorney David Heckler, goaded on by those who were thrown out of office by the voters two years ago, has harassed me about properties I own in Myrtle Beach. As you know, he has gone so far as to conduct an "investigation" into my legal residency without asking me a single question. In the end, after spending precious County tax dollars on a private investigator, Dave Heckler never brought an action against me because he knew he would lose, just like he did when he tried to get my husband thrown off this same School Board.

While Heckler could not win in a courtroom, the District Attorney's press release concerning his "investigation" has succeeded where Simon Campbell could

not: in the last few weeks, the focus of School Board meetings and District business has slipped away from the students of Pennsbury and their education.

Let me be clear: I am a proud 28-year resident of Falls Township, where I continue to reside.

However, after conferring with our fellow board members, I have decided to end this distraction. I hereby offer to resign my Region 3 seat on the Pennsbury School District Board of School Directors, effective upon the acceptance of my resignation by the School Board.

Thank you for considering my offer to resign. I have enjoyed working with you and the rest of the Board in restoring excellent public education in the Pennsbury School District, and look forward to continuing my active involvement in the life of Falls Township and the entire Pennsbury community.

Sincerely,

A handwritten signature in cursive script that reads "Debra DeBlasio".

Debra DeBlasio
